Business Service Officer 1 (Supervisor)

One year of experience in the California state service performing duties comparable to those of a Business Service Assistant (Specialist), Range C, or of a Staff Services Analyst, Range B, in a business service assignment. (Applicants who have completed six months of service performing the duties listed above will be admitted to the examination but must satisfactorily complete one year of experience performing these duties before they can be considered eligible for appointment.) Or

II

Experience: One year of technical experience beyond the Trainee level in one or a combination of the following:

1. Equipment and supplies management including the preparation of purchase documents. Or
2. Building management including lease negotiation and problem resolution. Or
3. Telecommunications including landwire and radio/microwave.

[Experience in California state service applied toward this requirement must include one year performing the duties of a class at a level of responsibility equivalent to that of a Business Service Assistant (Specialist), Range C.] and

Education: Equivalent to graduation from college. (Additional qualifying experience may be substituted for the required education on a year-for-year basis.)
Business Service Officer 1 (Specialist) Under general supervision, incumbents independently perform technical and analytical business service work of average difficulty in a variety of functions; assist in the performance of the more difficult and complex business service work; or are assigned responsibility for one or more functions of average difficulty. Functions of average difficulty are Purchasing, Facilities Management, Capitol Outlay and Telecommunications. (Analytical work of average difficulty is described as that which would otherwise be appropriate for a Staff Services Analyst.)

Incumbents are nonsupervisory but may serve as lead over lower level staff. With an appropriate restructuring of duties, positions allocated to this class may be downgraded to Business Service Assistant (Specialist) for recruitment purposes.

Under general supervision, incumbents typically have full supervisory responsibility for approximately 3-6 lower level staff in a business service office which may include general clericals, Materials and Stores Supervisors, Property Controllers, Mailing Machine Operators, and Stock Clerks.

Typically, incumbents either (1) supervise all business service functions in the smallest business service offices and may personally perform the most difficult and complex technical and analytical business service work; or (2) in larger offices, supervise one or more business service functions of average difficulty or two or more functions of least complexity as assistant to a higher level Business Service Officer and assist with the performance of more difficult and complex business service work.
