SECTION 1

INTRODUCTION

1.1 BACKGROUND

LEAP is an alternative selection program for persons with disabilities. The State Personnel Board (Board) established the program on January 1, 1989 pursuant to Government Code, Section 19240 et seq. It is designed to minimize the adverse impact of the traditional selection process by providing an alternate means of assessing the qualifications and skills of job applicants with disabilities. LEAP facilitates the recruitment of applicants with disabilities to provide departments with qualified referrals for selected job classifications.

1.2 WHY DEPARTMENTS SHOULD USE LEAP

LEAP is an effective equal employment opportunity tool to facilitate the hiring of persons with disabilities. State departments are encouraged to use LEAP referral lists as a resource of qualified candidates with disabilities. It has proved effective in assisting departments in meeting their employment goals for persons with disabilities.

1.3 LEAP ELIGIBILITY

In order to participate in LEAP, a person must meet the definition of an “Individual with a Disability”, as defined by the Fair Employment and Housing Act (Government Code Section 12926) and be certified eligible for the program by a California Department of Rehabilitation counselor. The certification process involves contacting the nearest California Department of Rehabilitation district office to make an appointment to become LEAP certified. They must provide the counselor with documented verification of their disability, e.g., medical records. The counselor will evaluate the information and decide whether the person meets LEAP eligibility requirements. If the person is judged to meet the requirements, the counselor will issue a LEAP Certification form. The LEAP Certification form will indicate the person's disability (by number code) and be signed by both the counselor and the person seeking to participate in LEAP (see Appendix B for sample LEAP Certification form). A copy of the LEAP Certification form must be submitted to the State Personnel Board’s Examination Unit. Once the individual is eligible, the next step is to file an application to participate in a LEAP examination. A copy of the LEAP Certification form must also be submitted with the standard State application form when filing for a LEAP examination. If a copy isn't attached, the application will be returned to the applicant. The individual should always keep his or her original LEAP Certification form and make copies to attach to each application submitted for a LEAP exam. (Note: Since LEAP is an open examination, current State employees may also participate in LEAP if they meet the eligibility criteria.)
1.4 LEAP EXAMINATION PROCESS

The LEAP examination process is a two-part process consisting of a (1) competitive examination to determine readiness for appointment, and (2) an on-the-job performance examination. The competitive examination, known as the Readiness Evaluation, provides a basic screening for an applicant's education, experience and personal qualifications to determine whether or not he or she is ready to be placed in a work setting. The job performance examination, known as the Job Examination Period, is designed to evaluate the candidate’s knowledge, skills, and abilities to perform the essential functions of the job. It substitutes for the written test in the traditional examination process. A flow chart and a brief description of the LEAP selection process has been developed for use by department representatives. These may be helpful for explaining the process to other staff, responding to questions, and making oral presentations. (See Appendix A)

In order to conduct the Job Examination Period, the Board established the special class, "LEAP Candidate (Identified Class)". The “Identified Class” is the parallel regular civil service class. A candidate who has been successful in the competitive portion of the examination must be appointed to this one class (regardless of the identified parallel class) in order to complete the Job Examination Period. Upon successful completion of the Job Examination Period, a candidate is considered to have passed the LEAP examination and may be appointed to the identified parallel class.

Authority: CCR Sections 547.52, 547.53 and 547.54

1.5 APPROVAL TO USE THE LEAP SELECTION PROCESS

Use of the LEAP selection process for a class is subject to approval by the Board’s Executive Officer. Departments may request the use of the LEAP selection process for any entry-level job classification that is not already approved for LEAP. Requests must be in writing and provide appropriate justification. If the classification is a department specific class, there must be a willingness to conduct LEAP examinations for the class. Such requests should be sent to the Statewide LEAP Coordinator, at the Board. A list of classes currently approved for LEAP is in Appendix C.

Approval of requests to use LEAP for a particular class will be based on the following considerations:

1. The class must be an entry-level classification in a class series for which open or open/non-promotional examinations are held; and

2. There must be a reasonable number of anticipated annual vacancies for the class within the department or various departments; and

3. The class series has an underrepresentation of employees with disabilities in fulltime positions (below 16.6% California labor force representation). Where a class series is used by more than one department, statewide composition data will be used to
determine underrepresentation. If a class series is used only by one department, departmental composition data will be used.

Authority: Government Code Sections 19240 and 19241

1.6 DEPARTMENTAL LEAP COORDINATORS

LEAP is coordinated by the Statewide LEAP Coordinator located in the Office of Civil Rights, of the Merit Employment and Technical Resources Division (METRD), at the Board. The Board recommends that departments identify a departmental LEAP Coordinator who will be responsible for the coordination of LEAP within the department. LEAP Coordinators usually are staff in the personnel office or in the civil rights/equal employment opportunity office of a department. The following is a list of general recommended responsibilities of a Departmental LEAP Coordinator:

1. Acts as a central contact within a department for information about LEAP and the hiring process.

2. Monitors LEAP appointments within a department to ensure that the process is working effectively.

3. Coordinates the processing of LEAP documentation to the Board.

4. Assists departmental managers and supervisors with LEAP problems.

5. Acts as the department's liaison with the Board regarding LEAP.

6. Serves as a resource to LEAP candidates and appointees.
SECTION 2
GUIDELINES FOR USING A LEAP REFERRAL LIST

2.1 LEAP REFERRAL LISTS

A LEAP Referral List contains names of qualified persons with disabilities who meet the minimum requirements for the job classification, and have been certified eligible for LEAP by the Department of Rehabilitation, and have demonstrated the potential to perform the duties of the classification in a competitive examination to determine readiness for appointment.

The names of individuals who successfully complete the Readiness Evaluation are merged onto a LEAP Referral List for the appropriate job classification. Candidates have eligibility for appointment from a LEAP Referral List for 24 months. Candidates will not be notified when their eligibility expires. Individuals may be scheduled for a Readiness Evaluation for each class only once during any 18-month period.

LEAP lists are not employment lists. They are referral lists from which a department may select a candidate to make a temporary appointment (TAU) to the "LEAP Candidate (Identified Class)" in order for the candidate to complete the second part of the LEAP examination process, the "on-the-job" performance examination. (Please note: The TAU appointment refers to the Personnel Action Request (PAR) documentation.)

LEAP Referral Lists contain all information necessary for departments to contact qualified individuals when filling vacancies in a particular job classification. Lists are statewide and include all names, addresses, phone numbers, ranks, location preference codes, and tenure or time-base preference codes. Departments may order an official certified list of names by specific location or on a statewide basis.

Authority: Government Code Sections 18901 (a), 19242.2 and CCR Section 547.53 (b)

2.2 RULE OF THE LIST

Departments may use LEAP Referral Lists to fill vacancies and are allowed to contact qualified individuals by "Rule of the List". “Rule of the List” permits any candidate to be appointed from a LEAP Referral List in order to make a good job-person match. "Rule of the List" also gives LEAP candidates the opportunity to contact departments in order to promote an interest in their qualifications as prospective employees. Rankings are included on LEAP Referral Lists in order to provide departments with information on the relative qualifications of candidates.

Authority: Government Code Section 19242.2
2.3 HOW TO ORDER AND CLEAR LEAP REFERRAL LISTS

PLEASE NOTE: A new feature has been added for departments ordering regular certification lists from the STATE PERSONNEL BOARD’S (BOARD) On-Line Certification System. When there is a parallel LEAP referral list available, it will automatically be generated along with the regular certification list. The system is programmed to order the LEAP referral list for limited term (LT) tenure appointments.

LEAP referral lists are maintained on the Board's On-Line Certification System. Departments may order certification lists for LEAP through the On-Line Certification System or by contacting staff in the Board's Certification Unit. LEAP lists may be cleared by using the normal List Clearance Codes listed on the reverse of the STD. 664, Certification of Eligibles (On-Line departments, see the "On-Line Certification Manual"). However, the “hire” should be cleared ONLY when the position is allocated as “permanent”. DO NOT clear the hire if the position is LT and there is no opportunity to gain permanent status. This is necessary to allow the “hire” to continue to certify to positions where permanent status may be attained. Departments may order a certification list for LEAP in the following way.

1. Geographical Area/Location
2. Limited-Term Tenure Only *
3. Time Base (Choose one): Full Time, Part Time, or Intermittent

NOTE: * ALL LEAP referral lists should be ordered using limited term (LT) tenure and nine (9) months. LEAP candidates remain in LT status until they are transitioned into the civil service class code. It is possible that some LEAP candidates may be hired into a limited term position.

On-Line departments must use one of the following combinations for each request:

<table>
<thead>
<tr>
<th>Tenure (T)</th>
<th>LT Months</th>
<th>Time Base (TB) Hours</th>
<th>Tenure/Time Base Codes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Limited Term (LT)</td>
<td>09</td>
<td>Full Time</td>
<td>= 21</td>
</tr>
<tr>
<td>Limited Term (LT)</td>
<td>09</td>
<td>Part Time</td>
<td>= 22</td>
</tr>
<tr>
<td>Limited Term (LT)</td>
<td>09</td>
<td>Intermittent</td>
<td>= 23</td>
</tr>
</tbody>
</table>

If a LEAP candidate has designated any time base as a preference, and is appointed to less than FT, his or her name will continue to be considered for FT positions.

Authority: Government Code Section 19242.4 and CCR Section 547.50 (b)
2.4 THE BOARD'S AUTOMATED CERTIFICATION SYSTEM (DEPARTMENTS "ON-LINE")

When a vacancy occurs, the department may order an official certification list of eligibles from the LEAP Referral List in accordance with the "On-Line Certification Users Manual" for transaction "R1”. Or, when ordering a regular certification list, if there is a parallel LEAP referral list, it will automatically generate a LEAP Cert List to the requesting department.

All LEAP Cert Lists shall be On-Line made through the Board's On-Line Certification System. The list will include merged names and any changes in information submitted to the Board. Departments participating in the automated certification system can:

1. Process an On-Line informal Certificate via the On-Line IC to see if a LEAP list exists.
2. Order and print certification lists and contact letters.
3. Clear certification letters.
4. Update LEAP eligible records (631 TENURE/TIMEBASE/LOCATION).

2.5 DEPARTMENTS THAT DO NOT USE THE BOARD'S ON-LINE CERT SYSTEM

To obtain a list of the names of the LEAP eligibles, departments must contact the Board's Certification Unit, at (916) 653-1502 and provide the following information:

1. Class code including specialty code for the identified LEAP class (see Appendix C).
2. Your (the requesting department’s) SPB Agency Code.
3. Location of the position.
4. Number of vacancies/positions to be filled.
5. Number of names and ranks you wish to certify and contact. If you know the name and/or SSA number of the person you wish to certify and hire, you may request a “Name Certification” reflecting only that person. The cert rule for LEAP is Rule of the List.
6. Time Base - Full Time, Part Time, or Intermittent. If part time, be prepared to provide the fractional time base, e.g., half time. If intermittent, we will need the number of hours to be worked, e.g., 30 hours per week, 100 per month, etc.
7. Number of Limited-Term months, e.g., nine months. The cert list is ordered for a minimum of nine months.

The list will be ready the following day and will either be mailed to or picked up by the requesting department. After contacting the eligibles, the responses are documented directly on the certification list and returned to the Board’s Certification Unit for list clearance action. All list clearances should be noted on the formal cert list.
2.6 **HOW TO CONTACT ELIGIBLES ON LEAP REFERRAL LISTS**

Hiring Department staff may contact LEAP eligibles by telephone or by sending them an “Employment Inquiry”. When contacting individuals on LEAP referral lists, departments should use the “Employment Inquiry” Std. 628. It is available in laser and continuous feed format for printing and in pad form for typewriters (see Appendix E). Waivers will not be charged against individuals on LEAP referral lists; however, LEAP eligibles that fail to reply or appear for an interview will be placed inactive. LEAP eligibles must then submit a written request to be reactivated on the list (see Appendix G for list clearance codes for LEAP).

Authority: CCR Sections 258, 260 and 261

2.7 **BEWARE OF CANDIDATES NOT ON LISTS**

Individuals may contact departments directly and request a hiring interview. If the individual does not provide a copy of a "Notice of Results", be certain his or her name is on a LEAP Referral List before scheduling him or her for a hiring interview. This will prevent the chance of making any illegal appointments.

2.8 **REMOVAL OF NAMES FROM LISTS**

A candidate's name is removed from a LEAP Referral List (1) upon the expiration date of his or her eligibility (Note: Eligibility on a LEAP referral list is for a period of two years but can be extended for an indefinite period of time); or (2) if an individual who does not meet eligibility criteria, has his or her name placed on a LEAP referral list in error.

If the appointment is to a limited-term or temporary position, his or her name will remain on the list so that he or she may be considered for future positions where there is the potential to gain permanent status. (Refer to Section 2.3, for information on how to order and clear referral lists for LEAP). The acceptance of part time or intermittent work by persons on LEAP Referral Lists shall not affect their eligibility for full-time positions.

Authority: Government Code Section 18901.5 and CCR Sections 260, 547.52 and 547.53

2.9 **PLACING CANDIDATE'S NAME ON INACTIVE STATUS**

If a department properly codes list clearances, the Board will inactivate the name of any person on a LEAP Referral List and a computer generated notice will be mailed to the candidate who:

1. Fails to appear for a job interview (IDNA)
2. Fails to respond to an “Employment Inquiry” (IDNR)
The Board will reactivate the name of any person who is on inactive status to the LEAP Referral List, for the remaining period of eligibility, upon written notification from the candidate.

A candidate whose name is on the LEAP Referral List may request to be placed on inactive status by sending a written request to the Certification Unit at the Board. The candidate's name will then be removed from the active list. A candidate's name may be restored to active status for the remaining period of eligibility upon written request.

Authority: CCR Sections 153 and 260

2.10 USE OF AN ALTERNATE LEAP REFERRAL LIST

A LEAP Referral List may sometimes be used to fill positions for classifications that are similar to classes already approved for LEAP. Where the recruitment base would be the same for both classes, it is assumed that individuals on a LEAP referral list would perform satisfactorily in positions for both classes. Departments may request to use a LEAP referral list if the classification meets the following criteria:

1. Both classes are at the same salary level (within two steps); and

2. Both classes have similar minimum qualifications (MQs); and

3. Both classes have similar duties and closely-related knowledges, skills and abilities; and

4. The scope of the critical class requirements used to evaluate the candidate in the LEAP class is appropriate for evaluation of the candidate in the other classification.

If the class meets these criteria, use of a LEAP Referral List can potentially increase the opportunities to appoint candidates with disabilities. One example where this has been done is where the LEAP Candidate (Environmental Scientist) list has been used to fill positions in the class of Air Pollution Specialist. In this instance, the individual would be appointed to the LEAP Candidate (Environmental Scientist) class, serve the job examination period, and if successful, be transitioned to the Air Pollution Specialist class.

Departmental requests to use an alternate LEAP Referral List must be in writing to the Statewide LEAP Coordinator, at the Board, and provide evidence that the class meets the criteria listed above. The Statewide LEAP Coordinator, at the Board, will review the request and if appropriate provide written approval to the requesting department.

Authority: Government Code Section 19055 and CCR Section 264
2.11 TRANSFER OF LIST ELIGIBILITY

LEAP referral lists are not eligible lists. They are used to place individuals so that they may complete the second part of the LEAP examination process. Transfer of eligibility between LEAP referral lists and regular civil service lists is not permitted, since individuals have not yet completed the LEAP selection process.

Authority: Government Code Section 19242.4
SECTION 3
HIRING PROCESS

3.1 HIRING INTERVIEW

In filling vacant positions, departments may interview candidates from both the LEAP Referral List and the regular eligible list. Staff responsible for interviewing candidates must not ask specific questions about the person's disability. Questions must be job related. All candidates on the LEAP Referral List are eligible for hiring consideration since "Rule of the List" applies when using LEAP Referral Lists.
Authority: Government Code Section 19242.2

3.2 LEGAL REQUIREMENTS FOR APPOINTMENT

Departments may only appoint individuals to the LEAP Candidate (Identified Class) who meet the eligibility criteria for the program and possess the minimum qualifications for the regular civil service classification [CCR, Section 547.51]. When a department has questions about the eligibility or qualifications of a LEAP Candidate, the questions should be referred to the Statewide LEAP Coordinator, at the Board. If the name of an individual has been improperly placed on the LEAP Referral List, the Board will remove the name. Departments may not request a copy of a candidate’s LEAP Certification. A copy of the LEAP Notice of Examination Results may be supplied to verify list eligibility.
Authority: CCR Section 547.53

3.3 MEDICAL CLEARANCE PROCESS

The medical clearance process is the same for LEAP candidates as it is for any other appointment. If the department requires a health questionnaire for appointment to a particular class, the LEAP candidate will be required to complete a health questionnaire. If the department requires a physical examination, the LEAP candidate will also be required to complete a physical examination. It is not appropriate to require a physical examination for a LEAP candidate in a classification where a health questionnaire is the only requirement for other appointees. (Refer to the Personnel Management Policy and Procedure Manual (PMPPM) Section 375 - Medical Clearance)

Authority: Government Code Section 18931 and 19253.5
3.4 MEDICAL STANDARDS

When there are questions about the suitability of appointing an individual to a particular position, the department may request that medical information be reviewed by the State Medical Officer, at the Board, or if the department has been delegated the authority for medical clearance, the medical officer in the department. The medical clearance process will be facilitated if the department designates "LEAP CANDIDATE" at the top of the health questionnaire form.

Authority: Government Code Sections 18931, 19261 (a), 19230 (c) and CCR Section 172

3.5 SUBJECT TO PROPER PLACEMENT

The medical officer will review medical information about the individual and information about the job duties to be performed in order to determine the suitability of the person for a position. If the person is found to be unsuitable, the medical officer will recommend that the department reject the individual for medical reasons. If the person is found to be suitable, the medical officer will report that the person has an unconditional medical clearance for the position. If the person is found to be suitable with the exception of some medical limitation, the medical officer will report that the person has medical clearance for the position and is "Subject to Proper Placement" (STPP).

When an individual is determined to be STPP, the medical officer will prepare a letter that describes the functional limitations in relation to the position. Copies of the STPP letter are provided to the individual and the department. If the department receives an STPP letter about a prospective employee, the appropriate departmental staff will discuss possible accommodations that will assist the individual in the successful performance of the job duties. It is not appropriate to reject a person on the basis of an STPP designation without consideration of reasonable accommodation. (See PMPP Manual Section 375)

Authority: Government Code Section 19230 (c) and CCR Section 172

3.6 REQUEST FOR REASONABLE ACCOMMODATION

Occasionally, there may be cases where a LEAP candidate will initiate a request for a reasonable accommodation during the JEP. The accommodation can be anything that will assist the individual to perform in the position without causing undue hardship to the department. Accommodation requests should be handled in accordance with Government Code Sections 19230 (a,b&c) and the Board’s Guidelines for Implementing Reasonable Accommodation (available on the web at www.sph.ca.gov). The department must respond to a request within 20 working days and may request an extension of the JEP while arrangements are being made for the accommodation. (See Section 4.7, pp 20-22)
3.7 RECLASSIFYING A POSITION TO LEAP CANDIDATE IDENTIFIED CLASS

There are no budgeted LEAP positions. Positions in the parallel regular civil service class (i.e., the “identified class”) must be reclassified to the LEAP Candidate identified class in order to appoint a LEAP candidate. The department will complete the STD 607 form (Change in Established Positions) to reclassify the position. After the new employee has completed the job examination period, the position must be reclassified to the parallel civil service classification.

Authority: CCR Sections 547.50 and 547.56

3.8 LEAP APPOINTMENTS

All individuals selected under LEAP will be documented to receive temporary (TAU) appointments during the job examination period. (Caution: Departments should verify that individuals have sufficient TAU eligibility to complete the JEP. No person may serve in one or more positions under TAU longer than 9 months in 12 consecutive months.) Departments may use LEAP referral lists to fill other than full-time positions. When filling temporary, part time, or intermittent vacancies, departments must clearly describe the tenure and time-base of these positions to potential employees at the time of hire. (See "Tenure", Section 5.3 and "Time Base", 5.4, pp 26-27)

When a LEAP Candidate identified class is a deep class, LEAP candidates may be appointed to alternate ranges as follows:

1. When making appointments to alternate ranges for LEAP classes, please make sure that the person fully meets the alternate range criteria for the parallel civil service class.

2. Indicate in Item 215 on the Personnel Action Request (PAR) form the class code of the parallel civil service class and the alternate salary range you are seeking to pay the LEAP candidate. The State Controller's Office (SCO) will pay the employee the appropriate salary rate in the alternate range indicated in Item 215 on the PAR.

If there is a State Restriction of Appointment (SROA) list for the parallel civil service class, it must be cleared prior to making an appointment to the LEAP Candidate class as defined by California Code of Regulations, Title 2, Division 1, Chapter 3, Section 599.854.4(c)(3), Department of Personnel Administration:

Limited Examination Appointment Program (LEAP) appointments. Before a LEAP eligible can be initially hired, the appointing power must first request and receive approval for a SROA exemption. When a LEAP eligible has successfully completed the Temporary Authorization (the Board’s Rule 265) period the appointing power may make a permanent appointment of that person without requesting another SROA exemption.

Authority: CCR Section 547.50 (b)
3.9 SALARIES AND BENEFITS

Employees in the LEAP Candidate class will receive the same salary and benefits that any other temporary employee in the parallel class receives as determined by the Department of Personnel Administration (DPA).

Those candidates working on a half-time or greater basis are entitled to receive health, dental and vision benefits. Leave benefits are prorated according to the proportional amount of time worked. If a LEAP Candidate is already a permanent State employee, benefits would remain in place.

NOTE: Salaries and Benefits are under the jurisdiction of the DPA. Benefit eligibility added dental and vision coverage per Personnel Management Liaisons (99-054) with a Permitting Event Date 10/1/99.

Authority: Government Code Section 19242.6

3.10 BARGAINING UNIT DESIGNATION

All candidates appointed to the LEAP Candidate identified class will be placed in Bargaining Unit 1. When appointed to the parallel class, they will be placed in the appropriate bargaining unit of the parallel class.

3.11 PROCESSING APPOINTMENTS TO THE LEAP CANDIDATE IDENTIFIED CLASS ("AO1" TRANSACTION)

The Personnel Action Request (PAR) for a LEAP appointment should be completed according to the established Personnel Action Manual (PAM) instructions for appointment to a TAU non-testing class with the following exceptions (see Appendix N, Sample PAR for TAU appointment):

All appointments should be nine months unless prior TAU time must be counted toward total TAU time (i.e., if individual worked as a TAU prior to LEAP Candidate appointment, the remainder of time must allow for the candidate to complete the required JEP). Then appoint actual time worked and convert previous time to days toward the 194-day limit.

3.13 STATE EMPLOYEE DISABILITY QUESTIONNAIRE (STD. 740)

All LEAP candidates are certified by the Department of Rehabilitation as meeting the definition of an “individual with a disability”, as specified in CCR Section 470.1 (4). When appointed, each candidate should be given the State Employee Disability Questionnaire and encouraged to fill in the appropriate information. [Note: Under the Fair Employment & Housing Act (FEHA) you are prohibited from requiring the person to provide this information.]

The appropriate disability code must be included on the PAR form for each LEAP Candidate. This item will be post audited by the SCO. Correct information on the PAR will ensure that efforts to hire persons with disabilities under LEAP will be appropriately recorded.

Authority: Government Code Section 19233 (b)

3.14 ADDITIONAL INFORMATION

1. Time spent in the LEAP Candidate class does count toward the salary anniversary date for the parallel class.

2. Time spent in the LEAP Candidate class does not count toward completion of the probationary period of the parallel class.

3. Those appointed to the LEAP Candidate class are entitled to receive the same general salary adjustments as those in the parallel identified class receive. If the
identified class (Item 215 of TAU appointment) receives a "GEN", then a "SAL" should be done on the LEAP appointment (effective the same date as the "GEN") to increase the candidate's salary accordingly.

4. Hiring Above the Minimum (HAM's) authorization for extraordinary qualifications does not apply to LEAP appointments.

Questions on PAR items should be directed to the SCO’s, Personnel Services Liaison Unit (See PAM Section 1.12).

Questions on candidate/employee benefits should be directed to the DPA.

SECTION 4
EVALUATION PROCESS

4.1 JOB EXAMINATION PERIOD (JEP)

The purpose of the JEP, as defined by CCR Section 547.54, is to assess the knowledge, skills and abilities of individuals in a LEAP Candidate identified class. Candidates must successfully demonstrate their ability to perform the essential functions of the job classification in order to successfully complete their LEAP examination. The length of the JEP is one-third that of the probationary period for the parallel class (i.e., two months for classes with a six-month probationary period, and four months for classes with a twelve-month probationary period). If the candidate is working part time, the JEP is prorated at a rate comparable with two months equaling 280 hours or four months equaling 560 hours of full time employment. [CCR Section 321]

4.2 EVALUATION STANDARDS/CRITICAL CLASS REQUIREMENTS

Pursuant to CCR Section 547.54(c) the Board will determine the Critical Class Requirements (CCR) which will be used to evaluate employees in the LEAP Candidate class. The CCRs will be based on the knowledge, skills, and abilities, identified in the class specification of the "identified class", which are considered necessary to perform the essential functions of the job. CCRs will be stated on LEAP examination bulletins and on LEAP Candidate Job Examination Form, SPB 273.

4.3 "LEAP CANDIDATE JOB EXAMINATION PERIOD" FORM SPB 273

SPB Form 273 is used to evaluate LEAP candidates and to request any changes in the status of a LEAP candidate. The Board staff has prepared a separate form SPB 273 for each of the LEAP Candidate identified classes (see Appendix D for a copy of each form). Departments must use the appropriate form SPB 273 for each identified class to assess the skills and abilities of employees during the JEP.

Department staff cannot change the CCRs listed on the 273 form (CCR Section 547.54). Any questions about the CCRs should be referred to the Statewide LEAP Coordinator, at the Board. Supervisors may attach a duty statement for the position to document specific tasks that will be used to evaluate the CCRs.

To obtain a supply of any Form SPB 273, departments should use a copy of the form contained in Appendix D as a "master" and duplicate as many copies as needed. If a new "master" is needed, departments may request another copy from the Statewide LEAP Coordinator, at the Board or print out a copy from www.spb.ca.gov.
4.4 OBSERVING PERFORMANCE

The JEP is comprised of the time the supervisor is observing the performance of the individual in the LEAP Candidate identified class. In order to provide a fair evaluation of the LEAP Candidate's performance, the supervisor must observe the performance over the full two or four-month JEP. If the supervisor cannot observe the performance of the LEAP candidate for any period of time, the JEP should be extended accordingly. For instance, if the LEAP candidate attends classroom training for two weeks, the JEP should be extended to 10 weeks for a two-month evaluation or 18 weeks for a four-month evaluation period.

Authority: Government Code Section 19242.8 and CCR Section 547.54 (d)

4.5 MONTHLY EVALUATIONS

The supervisor will evaluate the LEAP candidate once each month during the JEP, documenting the evaluations on a form SPB 273. A copy of the SPB 273 must be submitted to the LEAP Coordinator within the department. The Departmental LEAP Coordinator will be responsible for monitoring the progress of the candidate during the JEP. The department may decide to request an extension or a reduction of time during the JEP in accordance with CCR Section 547.55. Refer to the procedures in this section on "Extension of JEP" (4.7, pp 20-22) or "Reduction in JEP" (4.8, pp 22-24).

1. Departmental LEAP Coordinator's Responsibility

   Departments must complete the appropriate form SPB 273 at the time an individual is appointed to the LEAP Candidate identified class. The departmental LEAP coordinator will keep the original form SPB 273 and copies will be given to the candidate and the immediate supervisor for monthly evaluations.

2. Supervisor's Responsibility

   The supervisor will evaluate the LEAP candidate's performance at the end of each month during the JEP by completing the "LEAP Candidate Job Examination" form (SPB 273). The evaluation will contain the supervisor's assessment of the candidate's performance on each of the Critical Class Requirements and the supervisor's signature.

   Assessments are given by providing a rating of Outstanding, Satisfactory or Needs Improvement. A rating of “Outstanding” indicates the candidate has performed exceptionally and exhibits a mastery of the knowledge and abilities in relation to the specified critical class requirement. A “Satisfactory” rating indicates an average performance level and the candidate meets the criteria specified for the critical class requirement. A “Needs Improvement” rating indicates the candidate’s performance level is below minimum standard for the classification. Problematic
areas will be discussed with the candidate and arrangements may be made to provide any needed reasonable accommodation or additional training. The supervisor will discuss the completed SPB 273 evaluation each month with the LEAP candidate. The candidate will review and sign the appropriate form SPB 273 each month. The signature of the candidate only indicates that the form has been reviewed. The candidate may not necessarily agree with the evaluation.

**PLEASE NOTE:** For candidates working an Intermittent time base, time sheets are required in order to verify the appropriate number of hours worked.

The supervisor will keep a copy of the completed SPB 273, provide the candidate with a copy, and submit the original to the departmental LEAP Coordinator each month during the JEP.

3. **LEAP Candidate's Written Response to Evaluation**

The LEAP candidate may submit a written response to any information contained on the evaluation. The candidate will keep a copy of the response, provide a copy to the supervisor, and submit the original to the departmental LEAP Coordinator. The response must be acknowledged by the department and included as an official part of the evaluation.

Authority: Government Code Section 19242.8 and CCR Section 547.54 (d)

4.6 **FINAL EVALUATION**

In order to process an appointment of a LEAP candidate to the parallel civil service classification, the department must complete a final form SPB 273. The final evaluation must be completed after the equivalent of two months, for a class with a six-month probation, or after the equivalent of four months, for a class with a twelve-month probation.

At the time of the final evaluation the individual in the LEAP Candidate identified class should be ready for appointment to the parallel civil service class. Refer to Section 5, "Transition Process", and pp 25-28, for procedures to transition an individual from the LEAP Candidate identified class to the parallel class.

If the LEAP candidate is not ready for appointment to the parallel class and the department has decided to terminate the candidate, the department should follow the procedures under Section 6, "Termination Process", pp 29-34.

To process the final evaluation on a LEAP candidate who has successfully completed a JEP, use the following steps to complete the form SPB 273:

1. The supervisor must check "yes" under "Final Evaluation Only".
2. The supervisor **must include** justification under "Supervisor Comments".

3. Both the supervisor and the LEAP candidate will review and sign the final SPB 273.

4. The supervisor will keep a copy of the final SPB 273, provide the candidate with a copy, and submit the original to the departmental LEAP Coordinator.

5. The departmental LEAP Coordinator will submit the final evaluation package to the Statewide LEAP Coordinator, at the Board. The final evaluation package must include the following information:
   
a. A cover memo, which includes: the name of the LEAP candidate, LEAP Candidate identified class, and requested effective date for appointment to the parallel class. A sample cover memo has been prepared for departments to use when submitting a request for appointment to the parallel class. (See Appendix J)

b. The original copy of all SPB 273 forms including monthly and final evaluations.

c. The original copy with any responses to the evaluations by the LEAP candidate.

   Submit the final evaluation package to:

   **By Mail or In Person:**

   State Personnel Board  
   Statewide LEAP Coordinator  
   801 Capitol Mall, MS 55-B  
   Sacramento, CA 95814

6. The Statewide LEAP Coordinator, at the Board, will review the request and the supporting evaluation package. If approved, the coordinator will determine the appropriateness of the effective date and complete a memo of approval for appointment to the parallel class. [CCR Section 547.56(a)]

7. The approval memo will be returned to the departmental LEAP Coordinator for processing a Personnel Action Request (PAR). Refer to Section 5, "Transition Process", pp 25-28, for procedures to appoint employees to the parallel class.

Authority: CCR Sections 547.54 (a) and 547.54 (d)

4.7 EXTENSION OF JOB EXAMINATION PERIOD

Two or four months are usually adequate to evaluate a LEAP candidate's performance during the JEP. Occasionally, there may be a need to extend the JEP. A department may
request an extension of time for a LEAP candidate if necessary to properly assess his or her performance. The Statewide LEAP Coordinator, at the Board, as specified in CCR Section 547.55(a) must approve all requests for extensions. Requests for extensions must be made and approved no later than 30 days following the last day of the JEP. The department must inform the candidate of the reasons for the request for any extension of time. The candidate must also be made aware of the level of performance that is expected for a satisfactory rating during the time remaining, if the extension is approved.

Requests for extensions are evaluated on a case-by-case basis. Extensions have been approved during the job examination period for the following reasons:

1. Candidate needs to improve and the department expects a satisfactory performance within a short period of time.

2. Candidate needs to improve and is placed in a different position where the department expects a better job-person match.

3. Candidate is attending classroom training.

4. Department is arranging for reasonable accommodations.

5. Candidate is on an approved leave of absence (e.g., short-term illness, etc.).

Form SPB 273 is used to request an extension of time during the JEP. The supervisors' comments must include justification for requests to extend the JEP. Extensions can only be requested for candidates who have TAU time remaining. No person may serve in one or more positions under temporary appointment longer than 9 months in 12 consecutive months (see PMPP Manual Section 330).

To process a request for an extension of the JEP, use the following steps:

1. On the form SPB 273, the supervisor must check "No" and check "Request Extension of Job Trial Period" under "Final Evaluation Only".

2. The supervisor must include justification for a request to extend time under "Supervisor Comments".

3. The supervisor and the LEAP candidate must review and sign the SPB 273 requesting an extension of time.

4. The supervisor will keep a copy of the completed form SPB 273, provide the candidate with a copy, and submit the original to the departmental LEAP Coordinator.

5. The departmental LEAP Coordinator must submit a request for extension of time and get approval from the Statewide LEAP Coordinator, at the Board, no later than
30 days following the last day of the JEP. If approval is not obtained within this time, the candidate is automatically presumed to have successfully passed the JEP and must be appointed to the parallel civil service class *(Government Code Section 19243)*. To expedite a request, the departmental LEAP Coordinator may obtain approval by telephone from the Statewide LEAP Coordinator, at the Board. The departmental LEAP Coordinator must then submit a written confirmation of the telephone approval to the Statewide LEAP Coordinator, at the Board. A request for extension must include the following information:

a. A cover memo, which includes the name of the LEAP candidate, LEAP Candidate Identified class, requested new ending date of the JEP, and an explanation for the need to extend the JEP. A sample cover memo has been prepared for departments to use when submitting a request for extension of JEP. (See Appendix I).

b. The SPB 273 form requesting an extension of time and prior monthly evaluations.

c. Any responses to the evaluations, by the LEAP candidate.

Submit evaluation package to:

*By Mail or In Person:*

State Personnel Board  
Statewide LEAP Coordinator  
801 Capitol Mall, MS 55-B  
Sacramento, CA 95814

6. The Statewide LEAP Coordinator, at the Board, will evaluate requests to extend the JEP on a case-by-case basis and will respond within the 30 days following the last day of the JEP.

Authority: Section 5, Article VII, California Constitution

### 4.8 REDUCTION IN JOB EXAMINATION PERIOD

The two or four-month evaluation is usually needed to determine the qualifications of a LEAP candidate. The department may request a reduction of time for a particular LEAP candidate, under specific conditions. The Statewide LEAP Coordinator at the Board must approve all requests for early appointment to the parallel class.

Requests for early transition of a LEAP Candidate must meet all of the conditions stipulated in *CCR Section 547.55(b)* which states:
(1) The LEAP candidate held a position in state civil service during the twelve-month period prior to the effective date of the LEAP appointment; and

(2) The duties performed in the position in (1) above were equivalent in level of responsibility and requirements of knowledge, skills and abilities to the duties of the position to which the LEAP candidate will be appointed upon completion of the LEAP job examination period; and

(3) The position in (1) above was held by the LEAP candidate for a period of time that equals or exceeds the LEAP job examination period specified in CCR Section 547.54(a); and

(4) The LEAP candidate has written evidence of satisfactory performance in all aspects of the position in (1) above; and

(5) The LEAP candidate's current appointing power requests that the LEAP job examination period be reduced.

To process a request for a reduction of time, a final evaluation of the LEAP candidate must also be completed. Use the following steps to complete the form SPB 273:

1. The supervisor must check "Yes" under "Final Evaluation Only".

2. The supervisor must include justification under "Supervisor Comments". The justification must indicate that all of the conditions specified under CCR Section 547.55(b) are met.

3. The supervisor and the LEAP candidate will review and sign the final SPB 273.

4. The supervisor will keep a copy of the final SPB 273, provide the candidate with a copy, and submit the original to the departmental LEAP Coordinator. The supervisor may initiate the request for reduction in the job examination period by attaching a cover memo with the necessary information to the final evaluation package.

5. The departmental LEAP Coordinator will submit a request for reduction of time to the Statewide LEAP Coordinator, at the Board, during the JEP. The evaluation package must include the following information:

   (a) The cover memo should include the name of the candidate, the identified class, and requested effective date for appointment to the parallel class. The cover memo must also include all necessary information to determine that the request meets all of the conditions required for reducing time in the job examination period according to CCR Section 547.55(b). A sample memo has been prepared for departments to use when submitting a request for a reduction of the JEP. (See Appendix H)
(b) All SPB 273 forms including monthly and final evaluations.

(c) A copy of the candidate's "Notice of Results" or the page of LEAP Referral List where name of candidate appears.

(d) Any responses to the evaluations by the LEAP candidate.

Submit final evaluation package to:

*By Mail or In Person:*

State Personnel Board
Statewide LEAP Coordinator
801 Capitol Mall, MS 55-B
Sacramento, CA 95814

6. The Statewide LEAP Coordinator, at the Board, will review the request and the supporting evaluation package. If approved, the Statewide LEAP Coordinator, at the Board, will determine the appropriateness of the effective date and complete a memo of approval for appointment to the parallel class. (See Appendix K for a sample approval memo)

7. The approval memo will be returned to the departmental LEAP Coordinator for processing a Personnel Action Request (PAR). Refer to the Section 5, "Transition Process", pp 25-28, for procedures to appoint candidates to the parallel class.
SECTION 5

THE TRANSITION PROCESS

5.1 TRANSITION FROM TEMPORARY TO PERMANENT APPOINTMENT

Individuals appointed to the LEAP Candidate identified class who successfully complete their JEP will be transitioned to the parallel class. Departments must complete a final LEAP Candidate Job Examination form (SPB 273) requesting approval to appoint the LEAP candidate to the parallel class. Refer to the "Evaluation Process", Section 4.6 (pp 18-19) for procedures to complete the final evaluation; or refer to "Reduction in the JEP", Section 4.8 (pp 22-24).

Board approval of the LEAP candidate appointment to the parallel class is contingent upon the following conditions stipulated in CCR Section 547.56(a):

1. The job examination period specified in CCR Section 547.54(a) has been successfully completed; and

2. The appointing power submits verification to the executive officer that the LEAP candidate has successfully completed the LEAP job examination period.

If the department does not submit a final evaluation within 30 days after the last day of the JEP, it will be presumed that the LEAP candidate has demonstrated satisfactory performance in the LEAP examination as provided by Government Code Section 19242.9.

The department must then appoint the LEAP Candidate to the parallel class with the effective date of the day after completion of the JEP.

5.2 APPOINTMENT OF LEAP EMPLOYEE TO THE PARALLEL CIVIL SERVICE CLASS ("A22" TRANSACTION)

In order to process the appointment of a LEAP candidate to the parallel class, please use the following instructions to complete a Personnel Action Request (PAR). The department must complete a PAR using the transaction code "A22", which is "Appointment by the Board, DPA, or Court Action in lieu of appointment through the Certification Process" (See PAM 3.66 and 3.67; 2.203). (See Appendix 0, Sample PAR for Appointment to Identified Class). Complete all items according to the normal PAM instructions:

430. Probationary Period Code "1" and ending date of probationary period for identified class. Ending date must be entered manually.

Line 10. Backup Information "X" in "On File For Audit" box.

The "A22" transaction may be key entered by the employing department. The department must retain a copy of the Approval Memo and the final evaluation package. (See Appendix K for sample approval memo)

Authority: CCR Section 547.56

5.3 TENURE

1. Temporary

All appointments to the LEAP Candidate Identified Class, class code 4687, are temporary. When the individual passes the JEP and is transitioned to a permanent position in the parallel civil service class, the tenure will no longer be temporary.

2. Permanent

The vast majority of LEAP candidates are transitioned to permanent positions. The A22 PAR document will reflect a "P" in Item 410 to show that the individual was transitioned to a permanent position.

3. Limited Term

With the consent of the individual, LEAP candidates who have passed the JEP may be transitioned to limited-term positions. When this happens, the candidate's name remains active on the LEAP referral list for a permanent appointment for as long as they continue to have list eligibility. Once the individual has passed the JEP and has been transitioned to a limited-term position, he or she may be reappointed (a second A22) to a permanent position in the same civil service class as long as he or she still has eligibility on the LEAP referral list.
In order to change the tenure from limited term to permanent, the department must submit a request in writing to the Statewide LEAP Coordinator, at the Board. The request must include the name of the employee, class title, the old tenure, the new tenure, the effective date for the requested change, and a copy of the Approval Memo for the first appointment to the parallel class. A sample memo has been prepared for departments to use when submitting a request for a change in tenure (see Appendix L).

The Statewide LEAP Coordinator, at the Board, will verify that the individual has passed the JEP for the identified class and either approve or deny the department request. If the request is approved, the department will process an A22 PAR document appointing the individual to the permanent position.

Authority: Government Code Section 19242.4 and CCR Section 547.56

5.4 TIME BASE

1. Full Time (FT)

All persons on a LEAP Candidate referral list are eligible for FT employment. They may or may not be appointed FT depending on the needs of the department and the preference of the individual.

2. Part Time (PT) and Intermittent (INT)

All persons on a LEAP candidate referral list are eligible for a full-time appointment, accordingly, an individual who is appointed from a LEAP referral list to less than FT (e.g., PT or INT) may have their time base increased at the discretion of the department and with the consent of the employee to FT [CCR Section 277(a)(2)]. To increase the individual's time base while the individual is either temporary in the LEAP Candidate (Identified Class) or limited term or permanent after the transition (A22) to the parallel civil service class, the department has to verify that the individual was appointed from a LEAP list. Since “Rule of the List” applies for LEAP, departments need only process a "405" PAR transaction.

5.5 TRANSFERS

Transfers are not allowed between LEAP Candidate Identified Classes. Once the LEAP appointee has been transitioned (A22) to a permanent position in the parallel class, he or she has transfer eligibility the same as all other permanent civil service employees.

Authority: CCR Sections 433 and 434
5.6  RESTORATION OF NAME TO A LEAP LIST FOLLOWING REJECTION DURING PROBATION OR JOB EXAMINATION PERIOD

Following transition from LEAP to the parallel civil service class, the employee serves the regular probationary period for the class. If the employee is rejected during the probationary period, he or she may request, in writing, that his or her name be restored to active status on the LEAP list for the remaining period of his or her eligibility. The department must include this information in the formal written notification informing the employee of rejection during probation or JEP.

Authority:  CCR Section 547.57 (f)
SECTION 6
THE TERMINATION PROCESS

6.1 REQUIREMENTS FOR TERMINATION

"Upon unsuccessful completion of the JEP, the department may terminate the appointment of the candidate in accordance with board rule" *(Government Code Section 19243.4)*. Pursuant to *CCR Section 547.57(a)* LEAP candidate's appointment may be terminated during or upon completion of the JEP by the department, if the LEAP candidate does not satisfactorily demonstrate the level of knowledge, skill, and ability required to effectively perform the duties of the parallel class.

In taking such an action, the department shall give written notice at least five (5) working days prior to the effective date of the termination, setting forth the reasons for termination, the right to respond to the appointing power, and the right to appeal the action to the Board under the provisions of *CCR Sections 51-54.2* A LEAP candidate whose appointment has been terminated is entitled to a deprivation hearing *[see CCR Section 547.57(b)]*.

6.2 REASONABLE ACCOMMODATION CONSIDERATION BEFORE TERMINATION

When considering the termination of a candidate for unsatisfactory performance, the supervisor must ensure that the cause of the problem is not due to the failure to provide reasonable accommodation. Reasonable accommodations must be considered prior to concluding that a candidate is unable to perform the work of his or her position. (Refer to "Request for Reasonable Accommodation", Section 3.6, p 11)

Authority: Government Code Section 19230 (c)

6.3 INSTRUCTIONS FOR TERMINATING LEAP CANDIDATES DURING THE JEP

If the department has made a decision to terminate a candidate, the supervisor must complete a final SPB 273 form documenting performance problems and recommend termination of the JEP for the LEAP candidate, using the following steps:

1. The supervisor must check "No" in the final evaluation section of the form 273, and his or her comments must include justification for the termination.

2. The supervisor must keep a copy, provide a copy to the LEAP candidate and submit the original to the Departmental LEAP Coordinator.
3. The Departmental LEAP Coordinator will submit a signed cover memo, the final evaluation, and monthly evaluations to the Statewide LEAP Coordinator, at the Board, as notification of action taken.

(Note: Termination of a LEAP candidate does not require approval by the Board)

4. The Statewide LEAP Coordinator at the Board, will review the form SPB 273 to ensure the candidate has received a fair evaluation. If there are questions (e.g., it appears the department did not provide reasonable accommodation), the Statewide LEAP Coordinator at the Board, will raise the question(s) with the department. The Statewide LEAP Coordinator at the Board may suggest an extension of the JEP to provide time for the department to respond to the questions and provide, if necessary, reasonable accommodation. If it appears the candidate received a fair evaluation, the Statewide LEAP Coordinator at the Board will return a "Letter of Receipt of Notification" to the department (see Appendix M for sample letter).

Actions to terminate a LEAP candidate must be taken within 30 days following the last day of the JEP. If an agency fails to take action within this time period, it shall be presumed that the candidate has passed the examination and he or she must be appointed to the parallel class [Government Code Section 19242.9 and CCR Section 547.56(b).] Refer to Section 5, "Transition Process", pp 25-28, for procedures to appoint a candidate to the parallel class.

Authority: Government Code Section 19243.4 and CCR Section 547.57

6.4 RESIGNATION WITHOUT FAULT - VOLUNTARY RESIGNATION ("SOI")

If the LEAP candidate voluntarily resigns, the department must complete a PAR using Transaction Code "SOI", Resignation Without Fault (PAM 3.204 and 3.205). (See Appendix P, Sample PAR for LEAP Resignation Without Fault - Voluntary Resignation)

6.5 TERMINATION WITHOUT FAULT ("S31")

When a LEAP candidate has not successfully performed the duties and responsibilities during or upon completion of the JEP, the department must complete a PAR using Transaction Code "S31", "Termination Without Fault" (PAM 3.220 and 3.221). Work performed during the JEP is considered a performance test and failure to perform satisfactorily should not penalize the individual from taking other examinations in the future. The Board will restore the name of any person to the active LEAP Referral List for the remaining period of eligibility upon written notification from the candidate [see Section 7.1 (p 35) for appeal rights of a candidate]. “Termination without fault” is also used when the individual cannot perform the required duties for medical reasons. (See Appendix Q, Sample PAR for LEAP Termination Without Fault)

6.6 TERMINATION WITH FAULT ("S40")

When a LEAP candidate, who does not have current civil service status, has engaged in inappropriate behavior serious enough to warrant severe disciplinary action as defined in Government Code Section 19572, the LEAP candidate should be separated for cause. The department must complete a PAR using Transaction Code "S40", "Termination With Fault" (PAM 3.226 and 3.227). (See Appendix R, Sample PAR for LEAP Termination With Fault)

6.7 DISMISSAL ("S41")

When a LEAP candidate, who has current civil service status, has engaged in inappropriate behavior serious enough to warrant severe disciplinary action as defined in Government Code Section 19572, the LEAP candidate should be dismissed (S41) and must be provided with the due process specified in Government Code Sections 19570-19589.
6.8 RESTORATION OF NAMES TO LEAP LISTS FOLLOWING TERMINATION

Upon written notification from a LEAP candidate terminated without fault (S31), the Board will restore his or her name to the active status on that LEAP Referral List for the remaining period of eligibility. The department must provide the candidate with this information in the Notice of Termination letter.

The names of LEAP candidates terminated with fault (S40) shall not be restored to active status on that LEAP Referral List without the consent of the Executive Officer.

The names of LEAP candidates dismissed (S41) shall not be restored to the list; however, the provisions of CCR 211 apply.

6.9 RIGHT OF RETURN TO FORMER POSITION

A State employee, who has attained permanent civil service status prior to accepting a LEAP appointment, who does not successfully complete the JEP in the LEAP Candidate identified class, and who is terminated without fault (S31) has the right to return to his or her former position as provided by Government Code Section 19140.5.

It is the responsibility of the employee to inform the former appointing power within 10 working days after the effective date of the termination of his or her intent to exercise mandatory reinstatement rights. At the time an employee is notified of his or her termination, he or she must also be informed of all reinstatement options, how to pursue each option, and the specific time limits for exercising the options (PMPP Manual Section 312).

A State employee, who has attained permanent civil service status prior to accepting a LEAP appointment and is dismissed under Government Code Sections 19570-19589 (S41), does not have a right of return.

6.10 ILLEGAL APPOINTMENTS

On occasion, after a job offer has been made or after an individual has been appointed to the LEAP Candidate identified class by the department, something is discovered or occurs that makes the appointment to the LEAP Candidate identified class illegal. Before a decision is made not to hire the individual, or to terminate the candidate's JEP, the department must consult with the Board’s personnel analyst that has functional responsibility for illegal appointments in the Policy Division and the Statewide LEAP Coordinator, at the Board, to discuss the situation. After review of the facts, if the department concludes that an illegal LEAP appointment was made, the department must terminate the individual without fault (S31) using the method described in PMPP Manual, Section 395.17 "Cancellation of Temporary Appointments". Since a TAU does not provide the candidate with status in or rights to the class, the TAU appointment can be terminated by the department at any time without any further involvement of the Board. The
candidate has the right to appeal his or her LEAP termination under *Government Code Section 19244(e)*. (See "Termination During a Job Examination Period", Section 7.6, p 37). Consideration must be given to circumstances that make the appointment illegal, before deciding upon a course of action. In addition, the affected individual should be notified as soon as possible that there is a problem. He or she may then take appropriate actions to correct the situation or minimize the impact of the decision (see "Termination Without Fault", Section 6.5, p 31).

Many things could happen which might warrant not appointing the candidate, or the termination of the LEAP JEP. The following are some examples:

1. **PROBLEM:** After a job offer was made, it is discovered that the candidate does not have eligibility on the appropriate LEAP Referral List (candidate does have the required LEAP Certification form from the California Department of Rehabilitation, but did not take the LEAP exam).

   **POSSIBLE SOLUTION:** It is important that all supervisors ensure candidates are on the appropriate LEAP Referral List before conducting a hiring interview. In this instance, the department should not put the person to work, but check to see if the person has other eligibility. Also, see how quickly the person might be examined through LEAP or the parallel exam process.

2. **PROBLEM:** After completing the JEP, it is discovered that the candidate does not have the required written verification from the California Department of Rehabilitation certifying that the candidate has a qualifying disability (LEAP Certification is not on file for the individual).

   **POSSIBLE SOLUTION:** The individual should be instructed to contact the California Department of Rehabilitation to obtain a LEAP certificate. If the Rehabilitation Counselor determines that the individual does not have a qualifying disability, he or she may appeal (Refer to "Refusal to Certify Eligibility", Section 7.2, p 35). If the person is not eligible for LEAP, he or she cannot be transitioned to the parallel class and the TAU LEAP appointment must be terminated without fault (S31).

3. **PROBLEM:** Board staff permits a person to compete in a LEAP examination when the individual applied for the parallel class, and that person is later appointed from the LEAP Referral List (individual is not disabled and does not have LEAP eligibility).

   **POSSIBLE SOLUTION:** If the regular exam had already been given, the Board should reschedule the individual to take the parallel civil service exam as soon as possible and his or her name should be merged on the existing parallel civil service list. The Board will immediately remove his or her name from the LEAP list. If the person is not eligible for LEAP, he or she cannot be transitioned to the parallel class and the TAU LEAP appointment must be terminated without fault (S31).
4. **PROBLEM:** It is discovered during the State Medical Officer's review of the candidate's medical information that the candidate does not have a qualifying disability for LEAP under the ADA.

**POSSIBLE SOLUTION:** When the State Medical Officer discovers that a candidate does not have a qualifying disability, the Medical Officer will withdraw certification of LEAP eligibility and prepare a letter explaining why the person does not meet eligibility criteria for LEAP, and that the TAU JEP appointment must be terminated in accordance with CCR Section 547.57. Copies of this letter will be provided to the individual, the appropriate departmental personnel office, and the Statewide LEAP Coordinator, at the Board.

SECTION 7
LEAP APPEAL PROCESS

7.1 LEAP CANDIDATE'S APPEAL RIGHTS

While LEAP is somewhat different from the traditional selection process, the rights of LEAP candidates are protected in the same way. LEAP candidates may appeal the following actions (Government Code Section 19244):

(a) A refusal to certify eligibility to participate in the program.

(b) A rejection of an applicant to participate in the examination.

(c) A disqualification by an interview panel or by any other selection method used.

(d) A denial of a request for reasonable accommodation during the JEP.

(e) A termination of an appointment during the JEP.

7.2 REFUSAL TO CERTIFY ELIGIBILITY TO PARTICIPATE IN LEAP

The refusal to certify eligibility to participate in LEAP by the Department of Rehabilitation may be appealed directly to the Board’s Executive Officer in accordance with CCR Section 547.51 (b). The individual must send a written request along with medical evidence of his or her disability to the Board. This request shall contain the reasons for the appeal and reasons why the individual thinks the decision should be changed.

The Board will review the medical evidence to determine the individual's eligibility for LEAP and will respond within 30 days from the time the request is received:

1. If the decision is that the person meets the eligibility criteria for LEAP, a signed LEAP Certification form will be mailed to the individual.

2. If the decision is that the person does not meet eligibility criteria for LEAP, a written notification of the decision will be mailed to the individual.

Authority: Government Code Section 19244 (a)
7.3 REJECTION OF AN APPLICATION TO PARTICIPATE IN A LEAP EXAMINATION

Individuals may file a written appeal with the Board's Appeals Division within 30 days of notification that their application was not accepted for failure to meet the minimum qualification (education and experience) requirements for participation in the LEAP examination.

Authority: Government Code Section 19244 (b) and CCR Section 547.51

7.4 DISQUALIFICATION FROM THE LEAP READINESS EVALUATION

Individuals who are not successful for the LEAP Readiness Evaluation and were disqualified may file a written appeal. Such appeals must be mailed to the Board's Appeals Division within 30 days following receipt of the notice of disqualification.

Authority: Government Code Section 19244 (c) and CCR Section 547.52

7.5 DEPARTMENT DENIES REASONABLE ACCOMMODATION DURING THE JEP

A LEAP candidate may request reasonable accommodation during the JEP. A request should be submitted in writing to the supervisor. The request should indicate the specific accommodation requested, the medical, physical, or emotional limitation that necessitates the accommodation, and an explanation of how the accommodation will allow the individual to perform the essential functions of the job. If the accommodation entails the purchase of special equipment or devices, it would be helpful if the candidate can identify the cost, source, and/or method for obtaining the equipment or device.

The department must provide the candidate with a response within 20 working days from the date of request. When reasonable accommodation is not made, the department must respond in writing and include a description of the individual's appeal rights. If the department denies reasonable accommodation or 20 working days have elapsed without approval, the LEAP candidate may appeal directly to the Board's Appeals Division. Such appeals must be within 30 days of expiration of the 20 days or notice of departmental decision. The Appeals Division will immediately notify the department and request a written statement of the denial. (See "Guide for Implementing Reasonable Accommodation", p 22)

Authority: Government Code Section 19244 (d)
7.6 TERMINATION DURING A JOB EXAMINATION PERIOD

A LEAP candidate whose appointment is terminated from the program for (1) failure to satisfactorily demonstrate job performance, (2) cause, or (3) failure to meet the conditions for appointment provided in CCR Section 547.53 may file a written appeal of the termination. Such appeals must be mailed to the Board's Appeals Division within 30 days following receipt of the notice of termination (refer to "Termination Process", Section 6, pp 29-34). [Government Code Section 19244(e) and CCR Section 547.57]
Laws Governing The
CHAPTER 5.5 LIMITED EXAMINATION AND APPOINTMENT PROGRAM

Article 1. General

19240. The State Personnel Board shall be responsible for the Limited Examination and Appointment Program. This program shall provide an alternative to the traditional civil service examination and appointment process to facilitate the hiring of persons with disabilities in the state civil service where accommodation can be provided and where prohibitive physical requirements are not mandated by the board.

19241. The board shall establish rules and procedures for the implementation of this chapter, which may provide for the establishment of eligibility criteria for participation, special job classifications, examination techniques, and appointment and appeals procedures.

Article 2. Examinations and Appointments

19242. The board or its designee shall conduct competitive examinations to determine the qualifications and readiness of persons with disabilities for state employment. The examinations may include an on the-job-performance evaluation and any other selection techniques deemed appropriate by the board. Examination results may be ranked or unranked.

(Amended by Stats. 1990, Ch. 478.)

19242.1. An appointment to a position for the purpose of completing a job performance evaluation shall be known as an examination appointment.

(Added by Stats. 1990, Ch. 478)

19242.2. The board or its designee shall refer the names of persons with disabilities who meet eligibility criteria for participation and the minimum qualifications of the job classification and any other requirements deemed appropriate by the board to appointing powers for examination appointments. Notwithstanding any other provision of law, and to provide for appropriate job-person placement, all candidates meeting referral requirements shall be eligible for examination appointment. The board shall prescribe by rule the method for referring names to appointing powers.

(Amended by Stats. 1990, Ch. 478.)

19242.4. All examination appointments to positions under the Limited Examination and Appointment Program shall be made on a temporary and provisional basis to allow candidates to demonstrate their ability to perform the duties of the position. The term of the appointment shall be known as the job examination period and its duration shall be determined by board rule.

19242.6. Candidates serving in positions under the Limited Examination and Appointment Program shall not acquire permanent civil service status but shall receive the same salary and benefits to which other state employees in temporary positions are entitled.
19242.8 The board or its designee shall develop evaluation standards which are appropriate tests of fitness for the job classification. During the job examination period, the appointing power shall prepare written evaluations of the candidate’s performance in accordance with board rule. The final evaluation shall contain a recommendation as to whether or not to appoint the candidate to an appropriate position where civil service status may accumulate.

19242.9. Upon failure of the appointing power to terminate the appointment of the candidate within 30 days following the end of the job examination period, it shall be presumed that the candidate has qualified in the examination.

19243. Upon successful completion of the job examination period, the candidate shall have qualified in the examination. With the approval of the board, the appointing power may appoint the candidate, without further examination, to an appropriate position where civil service status may accumulate.

19243.2. With the approval of the board, the appointing power may shorten or extend the duration of the job examination period.

19243.4. Upon unsuccessful completion of the job examination period, the appointing power may terminate the appointment of the candidate in accordance with board rule.

(a) A refusal to certify eligibility to participate in the program.

(b) A rejection of an application to participate in an examination.

(c) A disqualification by an interview panel or by any other selection method used.

(d) A denial of a request for reasonable accommodation during the job examination period.

(e) A termination of an appointment of a candidate during a job examination period.

(Amended by Stats. 1990, Ch. 478.)

LEAP SELECTION PROCESS

The LEAP selection process is a two-part examination consisting of a Readiness Evaluation and a Job Examination Period.

RECRUITMENT:

1. General Publicity

Individual obtains a LEAP Brochure that includes a list of LEAP job titles from the SPB or other recruitment sources. Individual also obtains appropriate LEAP examination announcements and State application forms.

Other recruitment sources include the Department of Rehabilitation, the Employment Development Department, two-year and four-year colleges, veteran organizations, and community organizations serving persons with disabilities.

2. Disability Certification

Individual gets letter from doctor and contacts the nearest Department of Rehabilitation office to schedule appointment for LEAP certification.

If the individual has a qualifying disability, the Rehabilitation Counselor certifies eligibility for LEAP and signs the LEAP certification form for the individual.

If the individual does not have a qualifying disability, the Rehabilitation Counselor will explain why the individual is not eligible for LEAP.

Individual may appeal the Rehabilitation Counselor's refusal to certify eligibility for LEAP to the LEAP Coordinator in the Department of Rehabilitation. The LEAP Coordinator will review medical evidence of a disability and sign the LEAP certification form if the individual is eligible. If the person does not meet eligibility criteria for LEAP, a written notification will be mailed to the individual. The notification must inform the individual that he or she may file a written appeal with the State Personnel Board's Appeal Division within 30 days after receiving the notice.

3. Application for Job Classification

Applicant completes a State application form, attaches a copy of the LEAP Certification form, and submits them to the appropriate LEAP testing office for each job classification.
READINESS EVALUATION:

4. Application Review

Staff in the testing office review applications to determine if applicants meet minimum qualifications for each job classification and have a LEAP Certification form.

If applications are accepted, applicants are scheduled for a readiness evaluation.

If applicants are rejected, applicants are notified and given a reason for the rejection.

Applicants may appeal rejection of his or her application. Applicants may only need to provide additional information to be admitted to the readiness evaluation interview. Applicants may need to submit a formal appeal to the SPB Appeals Division. Decision of the five-Member Board is final.

5. Readiness Evaluation

Applicants who meet the education, experience and personal qualifications of LEAP shall be evaluated by a competitive examination to determine readiness for appointment. Those applicants who are ready for immediate employment in a LEAP classification shall be placed on the referral list. Applicants will receive a “Notice of Results" within approximately 8 weeks.

If applicants are successful, their names are placed on the appropriate LEAP referral list.

If applicants are not successful, they may reapply for the readiness evaluation after one year. Applicants may be scheduled for a readiness evaluation for each class only once during any 24 month period.

Applicants may appeal disqualification from the readiness evaluation. Applicants will need to submit a formal appeal to the SPB Appeals Division. Decision of the five-Member Board is final.

6. Referral List

Candidates on LEAP referral lists are eligible for employment for 24 months. Candidates who want to maintain their eligibility beyond 24 months must reapply for a readiness evaluation before the end of 24 months.
JOB EXAMINATION PERIOD:

7. Referral Contacts

Departmental staff will identify vacant positions in classes that have LEAP Candidate lists. LEAP is only one of the options available to departments for filling positions. Staff may order LEAP certification lists through the automated certification system, which will automatically issue a LEAP referral list or by contacting staff in SPB’s Certification Unit.

“Rule of the List” allows departments to consider any candidate on a LEAP list. “Rule of the List” also allows a LEAP candidate the opportunity to apply directly to departments for consideration when vacancies occur.

Departmental staff may contact candidates by telephone or by sending them an “Employment Inquiry”. Candidates who respond may be scheduled for a selection interview.

Staff may request that names be placed inactive on a particular list when candidates do not respond to contacts. Candidates will be notified of this type of action. Any candidate may send a letter to the SPB Certification Unit to have their name placed inactive, or active again, during their 24 months of eligibility on a LEAP list.

8. Selection Interview

Department staff conducts selection interviews for the individuals scheduled. This may include LEAP candidates, non-LEAP applicants, or a combination of both.

Departments may test for proficiency skills required for a job classification during the selection interview process or during the JEP.

When a department gives the proficiency test during the selection interview process and a candidate does not pass, the department may inform the SPB certification staff to withhold the candidate from referral to that department only. Candidates will be notified of this type of action. Candidates may have the withhold removed by sending a request with a copy of a certificate of proficiency to the SPB Certification Unit.

Staff may request that names by placed inactive on a particular list when candidates do not appear for a scheduled interview. Candidates will be notified of this type of action. Any candidate may send a letter to the SPB Certification Unit to be placed inactive, or active again, during their 24 months of eligibility on a LEAP list.
9. **Job Examination Period**

Departmental staff will select an individual and make an offer of employment. If the individual accepts the offer and completes the medical clearance process successfully, staff will appoint the individual to the LEAP Candidate class. As a LEAP candidate, the new employee has temporary status during an on-the-job examination, known as the Job Examination Period (JEP).

The supervisor will assess the skills and abilities of the LEAP candidate during the JEP. Monthly evaluations will be based on the critical class requirements of the job classification.

The supervisor will evaluate the LEAP candidate for one-third of the length of probation for the job classification. A candidate who works less than a 40-hour week will be evaluated for the equivalent amount of time as one who does work a 40-hour week. The supervisor may request an extension of time or reduction in time. The departmental LEAP Coordinator will submit such requests to the Statewide LEAP Coordinator at SPB.

The supervisor may discuss the need for reasonable accommodations to assist the candidate in performing the essential functions of the job classification.

If a reasonable accommodation is needed, the department will provide the accommodation and the supervisor will evaluate performance of the candidate after the accommodation has been made.

If a request for accommodation is refused, the department will explain the reasons for not providing accommodations.

Candidates may appeal refusal to provide reasonable accommodations. Candidates will need to submit a formal appeal to the SPB Appeals Division. Decision of the five-Member Board is final.

10. **Final Evaluation**

Supervisors will submit a final evaluation to the departmental LEAP Coordinator with a recommendation to appoint a candidate to the parallel class or to terminate a candidate. The coordinator will review the evaluations and submit the decision of the department with all of the evaluations to the Statewide LEAP Coordinator at SPB.

If the request to transition the candidate to the parallel civil service class is appropriate, the Statewide LEAP Coordinator at SPB sends an approval memo for the department to keep on file for audit and a copy for the candidate as proof of completing the JEP.
If the decision is to terminate the candidate, the department will give the candidate five days notice prior to the effective date of the termination. The Statewide LEAP Coordinator at SPB will send a memo acknowledging the notice of termination for the department to keep on file for audit.

Candidates may appeal the termination from an on-the-job examination. Applicants will need to submit a formal appeal to the SPB Appeals Division. Decision of the five-Member Board is final. Names of candidates may be placed back on the LEAP list.

11. **Appointment to Job Classification**

Department staff will appoint successful candidates to the parallel class. The candidates will begin their probationary period as a civil service employee.

STEPS TO FOLLOW - LIMITED EXAMINATION AND APPOINTMENT PROGRAM (LEAP)

Step 1 Certification: Have your eligibility for LEAP determined by the Department of Rehabilitation. If eligible, you will be given a LEAP Certification form, which is valid indefinitely.

Step 2 Research LEAP Classes: Identify the job classifications for which you qualify and whether examinations are currently scheduled. When examinations are scheduled, bulletins containing examination information, minimum qualifications and final filing dates are available at the State Personnel Board (SPB), Employment Development Department, Department of Rehabilitation or from the SPB website on the internet at: http://www.spb.ca.gov

Step 3 Application: When examinations for which you qualify are announced, fill out a State Examination Application (STD. 678) for each job classification. Write LEAP next to the job title on the application. Attach a copy of your LEAP certification to each application and send it to the SPB or the department listed on the job bulletin as administering the examination.

Step 4 LEAP Examination - Part 1: Your education, experience and personal qualifications will be evaluated through a competitive examination process to determine your readiness to work. The type of examination will be described on the examination bulletin.

Step 5 Examination Results: In approximately six (6) weeks you will receive a notice of your examination results by mail. When you are successful, your name will be placed on a referral list. Anyone may be appointed from the referral list (regardless of ranking) to participate in Part 2 of the LEAP Examination (Step 7 below).

Step 6 Job Application and Interview for Actual Jobs: Once you are on a referral list for a particular job classification, State departments may contact you, or you can contact them about job openings, for which you will submit another State Examination Application. When you are invited for a hiring interview, you will have the opportunity to convince a department that you are the best person for that job. When applying for job openings, attach a copy of your LEAP Notice of Examination Results. Do NOT send a copy of your LEAP Certification Form.

Step 7 LEAP Examination Part 2: If hired, it will be on a temporary basis while you serve a two (2) to four (4) month on-the-job performance evaluation. If you meet performance standards, you pass your examination.

Step 8 Appointment to Civil Service Job Classification: After successful completion of Step 7 above, you will be appointed to a civil service job classification. The appointment could be permanent or limited term, depending on the position. You will then start the standard probationary period for that class.

LEAP Brochures are available from: State Personnel Board, 801 Capitol Mall, P.O. Box 944201, Sacramento, CA 94244-2010; (916) 653-1705, Ext. 5 or TTY (916) 445-2689

If you change your name, address or area where you will accept a job, you must write to the "Certification Unit" at SPB with the updates.
